

# Cienega High School CAT FRAT FUNDRAISING OPPORTUNITIES

The Cienega High School Parent Teacher Organization, **CAT FRAT**, exists to enhance and support the education experience at Cienega High School, to develop a closer connection between school and home by encouraging parental involvement, and to improve the environment at the school through volunteerism and direct financial support. We raise funds to provide support for various programs, classroom needs, student/faculty appreciation, and more as we support our staff and students through **F**undraising, **R**ecognition, **A**ppreciation and respect for **T**radition (**FRAT**)!
