

July 27, 2020

Dear Parents,

We value parent choice in Vail. In order to best meet the needs of each family, the Vail School District is providing multiple educational options this year.

Below you will find the link to choose an educational option for your child(ren). This survey will ask you to choose between two options – Remote Learning through your child’s school and Remote Learning through the Vail Innovation Center (VIC). Both options will begin August 10<sup>th</sup>.

For families who choose Remote Learning through your child’s school, once schools are able to open campuses, you will be asked to make a second choice – whether your child will attend On Campus or through Brick to Click. Your child will be able to transition between On Campus and Brick to Click at any time during the first semester.

If you choose remote learning through the VIC, your child will remain in this educational setting throughout the first semester.

The survey will remain open until Friday, August 7th at 5:00 p.m. You may change your choice at any time up to this date and time.

Please feel free to email [newschoolyear@vailschooldistrict.com](mailto:newschoolyear@vailschooldistrict.com) if you have any further questions.

Click [HERE](#) to select an educational option for your child(ren).
