

Good Afternoon Bobcat Nation Families,

I want to be sure to share additional information with all of you in regards to our 20-21 Student Check-In process that will begin next week.

Please know that we have reviewed Check-In fees for the 20-21 school year and we are adjusting our traditional practices related to school fees in order to better serve our families.

The following will be the only fees that we will collect, when applicable, during Student Check-In.

Calculator Rental - \$30

Chromebook Insurance - \$50

Credit Recovery/Grad Lab Fee - \$75 a class

Senior Processing Fee - \$15 - This fee pays for diplomas and diploma covers

PowerSchool Photo - \$15 Photos will be taken during Check-In and can be purchased

All other fees will be evaluated when our Cats return to our site to physically attend classes. We will determine at that time if the fee will be pro-rated or charged for the 20-21 school year.

We are asking that each Bobcat is accompanied by only 1 adult to move through the Check-In process in order to help limit group sizes. Also, it is important that social distancing guidelines are followed and that those visiting our campus wear face-coverings while on our site and interacting with others.

Please use the new Sign Up Genius links in the attachment below to reserve your day and time to participate in the in-person Student Check-In process.

If you or your Cat are not comfortable with the in-person Student Check-In, you may request a remote check-in option via email at:

chsinfo@vailschooldistrict.org

Thank you for partnering with us during this process.

Sincerely,

Principal Middleton
