

CIENEGA HIGH SCHOOL
Vail School District

Dear Bobcat Nation Families,

As our 2019-2020 school year comes to a close we automatically begin planning the traditional summer activities tied to our campus and our programs. Believe it or not, this is typically a busy time of year as our Cienega summer off-season Athletic and Fine Arts programs begin to kick in and prepare for next school year.

We recognize that our families have many questions revolving around the Summer activities that are traditionally hosted for our Cats. We wanted to share with you that we are discussing summer options for our Cats programs.

However, at this time there will be no organized coaching or group activities until we receive guidelines from the Arizona Interscholastic Association. We are expecting to receive those guidelines during the month of June.

In the meantime, we are currently working with school districts across the state to discuss re-opening plans for Athletics and Fine Arts. We will take into consideration the guidelines that the Arizona Interscholastic Association is currently drafting. Those guidelines will outline the recommendations for a return to hosting athletic events and preparing for any upcoming athletic seasons. We are expecting the guidelines to be significant and we expect to be required to follow all of those guidelines if we are to be able to resume athletic and/or Fine Arts activities.

At this time we do not have a solid date for resuming summer activities. However, please know those discussions are taking place. Your Cienega administration is collaborating with our district leaders, coaches, fine arts directors & athletic directors to help us determine what steps are best to keep our Cats safe and our programs active.

We want nothing more than to get our Cats back out there doing what they love and displaying their Bobcat Pride. We are asking that you continue to partner with us in patience as we figure out the very best plan to accomplish that task.

Please reach out to me with any questions that you or your family may have.

Sincerely,

Kim Middleton
