Bobcat Nation Families,

We are extremely excited that our Cats will begin accessing our remote learning instructional model on the morning of Monday, August 10th.

Please use the directions attached to this email to connect to your Cat's Schoology account so you can view their class assignments and track their progress in their classes. If you have any questions in regards to classes or assignments, please feel free to reach out to your Cat's teachers.

We are anxious to have our Cats back on our campus when it is safe for them to return. In the meantime, we hope that you and your family are pleased with the remote learning instructional model.

We value your partnership during this time and are humbled that you chose Bobcat Nation as your Cat's school of choice this year

A handwritten signature in black ink that reads "Kim Middleton". The signature is written in a cursive, flowing style.

Kim Middleton
