

Kim Middleton
Principal

CIENEGA HIGH SCHOOL
Vail School District

October 17, 2020

Good Afternoon Bobcat Nation Families,

I am reaching out today to share more specifics in regards to our plan for continuing to move forward with our 2020-2021 Cienega Football season.

We will be implementing enhanced mitigation strategies that will include the following:

1. Athletes participating in the program will be “bubbled” or grouped together and will be 100% remote learners while participating in the football season.
2. We are working on a process to regularly COVID test participating players and coaches.
3. All families participating in the football season will need to complete a waiver in order to be a part of the program.

We will follow our current football schedule and continue to compete against the schools whose districts are able to participate in the season. We have been authorized to begin full-contact practices and Coach Nugent will be in touch with families to share what his start date is for those practices. Additional information in regards to fans and next steps will be shared with the parents of our football players in the next couple of weeks.

Lastly, we have been working diligently behind the scenes to best support our Cats and your families. I appreciate all of your partnerships, feedback and patience a tremendous amount while we finalized these pieces of the puzzle.

Sincerely,

Kim Middleton
