

Kim Middleton
Principal

CIENEGA HIGH SCHOOL
Vail School District

Good Afternoon Bobcat Families,

I hope that all of you enjoyed a restful break during these past two weeks.

After a few weeks of delivering instruction in a hybrid and Brick 2 Click model, we reflected on our practices and feedback we received. Based on those pieces of information, we will shift to our 1-6 bell schedule beginning on Monday, November 2, 2020. On the hybrid student side of the plan, we will maintain 2 lunches during our school day and we will adhere to our Copper/Navy schedule of hosting only half of our Hybrid student population on site Monday through Thursday of each week.

Here are a few things to keep in mind as we make the shift:

1. Hybrid Cats will follow our 1-6 bell schedule while on our site.
2. Our bell schedule will still have 2 lunches for our hybrid students.
3. Our school day start and dismissal times will remain the same.
4. We will keep our zero hour asynch class on Fridays for Band & NJROTC only.
5. All students will still remain off site and learn asynchronously on Fridays.
6. Brick 2 Click Cats will follow the 1-6 bell schedule on Tuesdays & Thursdays.
7. Brick 2 Click Cats will synch with all of their classes on Tuesdays & Thursdays.
8. On asynchronous days students will complete assignments for class independently.

I am attaching additional documents containing useful information for your family to use to help paint a clearer picture of the shift to the 1-6 bell schedule. I hope that you find them helpful. Please be sure to reach out to your Cats' counselor with any questions you may have.

Thank you for your continued partnership and patience during this school year.

Sincerely,

Kim Middleton
